

GOSHEN CHAMBER GOSHEN LEADERSHIP APPLICATION

WHAT IS LEADERSHIP GOSHEN?

Leadership Goshen is a program of the Goshen Chamber of Commerce which aims to identify, cultivate, and motivate future community leaders. This informative and thought-provoking program introduces participants to the opportunities and challenges in the community, while exposing them to the Chamber's strategic initiatives.

Regular sessions involve a combination of panel discussions, tours, hands-on experience, one-on-one interaction with current community leaders, and leadership building group activities designed to expose participants to all aspects of the topics covered in each session. Each session contains time focused on leadership style and skills development, followed by in-depth exploration of a particular industry. Industry areas include Education; Healthcare; Non-Profits; Development; Government; Diversity, Equity, and Inclusion; Community; and a Class Project.

The overall goal of the Leadership Goshen program is broken down into four areas:

1. **Communication**

To facilitate opportunities for communication among emerging and established leaders

2. **Awareness**

To facilitate participants growth and knowledge in the Goshen community, its assets, challenges, and opportunities

3. **Leadership**

To foster and develop leadership skills and help participants identify and grow their own leadership styles with an emphasis on the community perspective

4. **Motivation**

To encourage and facilitate a space so participants are motivated to take a leadership role within our community

APPLICATION AND SELECTION PROCESS

Each potential participant must submit a completed application, with answers to the essay questions, and attach a resume. It is up to applicants to ensure that they have submitted all required materials. To be considered for the program, applicants must either include tuition payment of \$750 in the form of check or credit card information. Completed applications and tuition payments must be received by the Goshen Chamber of Commerce by Friday, July 17, 2020 by 4:00 p.m. If you are not selected for admission to the Leadership Goshen Class of 2020, your tuition will be refunded in full. Each application is reviewed by a Steering Committee which looks at individual qualifications and a broad spectrum of experience. The Steering Committee strives to select a diverse representation of all segments of our community. Applicants will be notified of the status of their acceptance by August 5, 2020. At that time, accepted applicants will be asked for additional information and will receive a finalized 2020 schedule. Selection for Leadership Goshen is based

CLASS ATTENDANCE POLICY

Complete attendance is an expectation of participation in the Leadership Goshen program. Please carefully review the program schedule listed, considering your work and outside obligations. If you cannot commit to all sessions this year, consider applying for a future program year. Missing sessions may result in your ineligibility to graduate from the program and/or the co-chairs considering your dismissal from the class with forfeiture of the tuition.

TECHNOLOGY POLICY

The Leadership Goshen program is enhanced when all participants are active and engaged. To that end, cell phones and other devices should be put away during sessions unless participants are utilizing them for note-taking purposes. The Steering Committee recognizes that participants are vital to their companies and organizations, and that some communication back to the office may be unavoidable during Leadership Goshen days. For that reason, session organizers will dedicate time for breaks to give you a chance to check in. As a leader, we hope you will appropriately delegate responsibilities so that you can be fully engaged with the program while participating in Leadership Goshen days.
